EXPERIENCE THE DIFFERENCE!

Established in 2019, Gamegenic embarked on a singular mission: to redefine the landscape of gaming supplies by seamlessly weaving together unparalleled quality, innovation, functionality, and captivating design.

Our foundation is grounded in a team of seasoned professionals who share an unwavering passion for gaming. Every product we offer represents the culmination of years of extensive expertise, meticulous engineering, rigorous testing, in-depth market insights, and, most importantly, an ongoing dialogue with our dedicated gaming community.

Our product lineup stands as a testament to our commitment to catering to both novice enthusiasts and committed gamers.

Gamegenic is more than just a brand; it's our promise to enhance your gaming experience. Don't miss out on experiencing the Gamegenic difference for yourself – this is for you!

BASTION 100+ XL

SOLID
AS A
ROCK!

**VERY STURDY
AND COMPACT BOX!**

- Capacity:
- 100+ double-sleeved cards in extra Thick Inner Sleeves*
 - 110+ double-sleeved cards in Closable Inner Sleeves*
 - 120+ regular double-sleeved cards*
 - 140+ single-sleeved cards*
 - 250+ unsleeved cards

Commander/
top card fully visible
from the outside

BASTION 100+ XL

DESIGNED FOR
EXTRA THICK
INNER SLEEVES*

"If you're gonna stand, stand like a Bastion!" – The Bastion 100+ XL is a very compact and rock-solid deck box to safely protect 100+ double-sleeved cards in Thick Inner Sleeves. Due to translucent materials and smart positioning of the closing flaps, the top or Commander card is fully visible from the outside without opening the box. The innovative secure click-lock mechanism protects your deck while still allowing easy access. The Bastion 100+ XL consists of 2 symmetrical parts that easily convert into a card pile and discard pile holder.

The Bastion 100+ XL is perfect for a huge variety of trading card games. Thanks to its modular design, the Bastion 100+ XL fits perfectly into other Gamegenic products. It also comes with a write-on sticker for personalization.

FEATURES

- Designed to hold 100+ double-sleeved cards in extra Thick Inner Sleeves*
- Developed to perfectly fit into the Gamegenic Dungeon
- Unique:** holds even Mini Snap and Slide Card Cases, as well as the Gamegenic Cube Pocket 15+
- Converts into a card pile holder with easy access down to the last card
- Comes with a write-on sticker for personalization
- Robust and compact deck box with secure locking mechanism and easy-opening design (SNAP-OPEN MECHANIC)
- Acid free. No PVC

*Optimized for particularly Thick Inner Sleeves. We recommend Gamegenic sleeves. Sleeves from other brands may affect capacity/compatibility

ARKHAM HORROR

THE CARD GAME

ARKHAM HORROR™ INVESTIGATOR DECK TOME

Officially licensed premium box with color designs for every investigator class

Every box includes a card divider in matching color

ARKHAM HORROR™ INVESTIGATOR DECK TOME

Finally! Gamegenic presents the first officially licensed premium deck box designed specifically for the needs of Arkham Horror: The Card Game™ players. The exclusive Arkham Horror Investigator Deck Tome is perfectly sized to hold a full investigator deck, even if the cards are single-sleeved.* Without opening the box, you can identify your investigator deck through the cut-outs that display the deck's portrait, class, name, and trait. Every box includes a card divider in matching color. The Arkham Horror Investigator Deck Tome comes in 6 different colors, one color for each investigator class (Guardian, Seeker, Rogue, Mystic, Survivor) as well as Neutral. It also fits perfectly into the Dungeon 1100+, Dungeon S 550+, and Games' Lair 600+. We can proudly say that this is the perfect and long-awaited product for Arkham Horror: The Card Game™ fans!

Holds a full investigator deck, even sleeved*

Designed to hold 60+ single-sleeved cards*

Designated pocket for the investigator card

Investigator portrait, class, name, and trait visible without opening the box

Easy removal of the deck down to the last card

FEATURES

- OFFICIAL PREMIUM BOX with color designs for each investigator class
- Holds a full investigator deck, even sleeved*
- Investigator portrait, class, name, and trait visible at first sight without opening the box
- Includes card divider in matching color
- Hot-stamped Arkham Horror™ logo and investigator symbols
- Notched compartment for easy access down to the last card
- Strong magnets for a precise and secure closure
- Fits perfectly into Dungeon 1100+, Dungeon S 550+, and Games' Lair 600+
- Premium materials: Nexofyber surface + microfiber inner lining

*Optimized for Gamegenic Sleeves. Sleeves from other brands may affect capacity/compatibility

The Academic 133+ XL

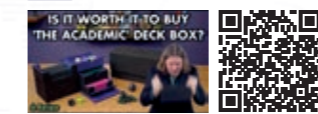

NEW!

The incredibly successful accessory Kickstarter hits retail!

The Academic 133+ XL, the box that broke all records, can hold 133+ double-sleeved cards in extra Thick Inner Sleeves* plus accessories. It is available in two editions. The TOLARIAN EDITION comes with symbolic hot-stamped logos of Tolarian Community College on the outside and foil-embossed logos on the inside. This edition is available in three different color variations. The STEALTH EDITION is a cleaner and less branded version of the box, available in two additional solid colors.

The long-awaited retail version of the Academic 133+ XL comes with all the amazing features of the Kickstarter original: a premium acrylic compartment divider, two removable hidden drawers with ingenious magnetic flaps, as well as extra slots for even more gaming accessories. Additionally, it is equipped with our highly-rated CONVERTIBLE system. The removable cover clips to the bottom, saving precious space on the table. The powerful magnets and the innovative closing mechanism keep the Academic 133+ XL safely closed.

NEW!

SIZEMORPH DIVIDER

We bring to you the next revolution for card game accessories: the Sizemorph Divider! Our brand-new innovation is probably the first divider on the market that can change its width to fit into almost any unused box space. Tidy up your deck box! No matter if you want to fill up space between two decks of cards or keep your deck boxes safe. Its width can vary between 5 and 30 millimeters, allowing maximum flexibility. The foldable register tab will bend back and unfold when the box is opened, making sure that no cards are harmed while closing the box.

FEATURES

- REVOLUTIONARY:** Card divider that changes width to fit into unused box space
- Additional buffer:** keeps cards and deck boxes safely in place
- Highly flexible:** Width can change between 5 - 30 mm
- Innovation:** foldable register tab on top
- Acid-free.** No PVC

The Cards' Lair 400+ is a large premium box to perfectly fit standard-sized cards in sleeves. With the additional innovative features, this is all you need for your collection on a great gaming night. This multi-functional box is designed to perfectly fit up to **400** double-sleeved, or **540** single-sleeved cards.* **Two removable drawers** with ingenious magnetic flaps provide easy access to tokens, sleeved cards, or full decks.

With our highly rated CONVERTIBLE system the removable cover clips onto the bottom saving precious space on your gaming table. Powerful magnets together with our innovative locking mechanism provide a secure closure.

FEATURES

Premium multifunctional card box with perfect width for standard-sized sleeved cards. No loose standard cards!

Designed to hold up to **400** double-sleeved or **540** board-game-sleeved cards*

Perfect for tournament players, a gaming night with a lot of cards, or for games like Pokémon™, Marvel Champions, Arkham Horror LCG™, KeyForge®, or Terraforming Mars™**

Ideal for the Magic: The Gathering™ format Cube Draft**

2 extra slots: one for sleeved oversized cards (such as Magic: The Gathering™ Commander** and more) and one for life pads / writing pads

2 removable drawers for tokens, dice, sleeved cards, or full decks

Drawers can hold **40 additional** double-sleeved cards each (or **50** with board-game sleeves* each)

Revolutionary magnetic flaps guarantee effortless pulling-out of the drawers

Notched drawer compartments for **easy access;** right down to the last card

Top-level compartment for **additional accessories;** played cards, or usable as a **mini dice tray**

Our highly rated CONVERTIBLE system: The removable cover clips onto the bottom saving precious space on your gaming table

Powerful magnets together with our innovative locking mechanism provide a secure closure, even if the box is shaken upside-down

*Optimized for Gamegenic Sleeves. Sleeves from other brands may affect capacity/compatibility

Elegant outer material and soft microfiber inner lining

Stores 1100+ double-sleeved cards.*
Perfect for Cube Drafts

Almost endless options to fill your Dungeon

Cover clips perfectly onto the bottom. No disturbing flaps on the table!

DUNGEON 1100+ CONVERTIBLE

RATED A+
MAY 2020

"This is I feel perfection, and an A+."

Tolarian Community College
Video: cutt.ly/TCC_Dungeon

The Dungeon 1100+ is ideal for housing a complete card collection. It holds several deck boxes, playmats, accessories and, a huge number of single cards (even protected in bigger toplayer sleeves). The closing mechanism is subtle but strong thanks to an ingenious design that keeps the box safely closed even when it is fully loaded. Compatible with most Gamgenic products, but also with most boxes and solutions available on the market.

FEATURES

- Designed to hold up to **1100** double-sleeved cards*
- Perfect for Cube Drafts
- Completely removable cover grants easy access to all components
- The cover clips onto the bottom and saves precious space on the gaming table
- Powerful magnets for a precise and secure closure
- Special locking mechanism provides a secure closure, even if the box is shaken upside-down
- Almost endless options to fill your Dungeon:** designed to hold deck boxes, playmats, accessories, and single-sleeved cards (even in toplayers)

*Optimized for Gamegenic Sleeves. Sleeves from other brands may affect capacity/compatibility

The cover clips onto the bottom and saves precious space on the gaming table while allowing easy access to all cards and boxes

The removable cover is attached by a special locking mechanism to keep the box safely closed, even when shaken upside-down

DUNGEON S 550+

CONVERTIBLE

The Dungeon S 550+ is the little sibling of our very popular Dungeon 1100+ in a compact, one-row design, which fits in most regular backpacks! It holds several deck boxes, playmats, accessories, and, of course, a huge number of single- or double-sleeved cards, or cards in toplayer sleeves. A strong and subtle closing mechanism keeps the box safely closed even when it is fully loaded.

FEATURES

- Designed to hold up to **550** double-sleeved cards*
- Completely removable cover grants easy access to all components
- The cover clips onto the bottom and saves precious space on the gaming table
- Powerful magnets for a precise and secure closure
- Special locking mechanism provides a secure closure, even if the box is shaken upside-down
- Almost endless options to fill your Dungeon S:** designed to hold deck boxes, playmats, accessories, and single-sleeved cards (even in toplayer sleeves)
- Ideal for the Magic: The Gathering™ format Cube Draft**
- Premium materials (Nexofyber+ surface + microfiber inner lining)

* Optimized for Gamegenic Sleeves. Sleeves from other brands may affect capacity/compatibility

GAME SHELL XL 650+

The Game Shell XL 650+ is a large, portable case to keep several deck boxes or a large collection of single cards. It holds up to **650** double-sleeved cards* and comes with 4 removable dividers to create individual compartments within the case. This allows customizable organization of several boxes, single cards, or dice and tokens. The box is made of durable nylon material and is therefore water-repellent and dirt-resistant. An adjustable shoulder strap and reinforced handle ensure comfortable transportation.

FEATURES

- Hold up to **650** double-sleeved cards*
- Portable, sturdy card case with reinforced handle
- Includes adjustable shoulder strap

FLEX CARD DIVIDERS

These durable and resistant card dividers will tidy up almost any deck box. Each pack contains 10 different vibrant colors to provide a maximum of organization possibilities.

INNOVATION! Foldable register tabs: Probably the first card divider on the market that truly divides! The tab allows an increased height that sticks out from the card pile and provides a much better visibility. The flexible fold-line makes sure that no cards are harmed while closing the box. The register tab will just fold to the side and unfold when the box is opened. Due to an additional folding line at the side this mechanism also works with sideloading boxes.

FEATURES

MULTICOLOR PACK:
contains 10 assorted card dividers

10 different vibrant colors matching the colors of all Deck Holders and Side Holders

INNOVATION! Foldable register tabs: Probably the first card divider on the market that truly divides!

Side-fold also suits sideloading boxes

TOKEN BOXES

NEW!

TOKENS' LAIR CONVERTIBLE

Introducing the revolutionary Tokens' Lair – the first premium all-in-one token box designed to take your gaming experience to the next level! Packed with innovative features, this compact and incredibly handy box is the perfect addition to your gaming arsenal.

Featuring four colorful drawers, you'll be able to quickly and easily locate any kind of token, dice, meeple, counters, and more without even pulling out the drawers! During gameplay, the magnetic assembly feature allows you to customize and maximize your gaming experience like never before. Each drawer has built-in magnets, enabling easy and individual arrangement on the gaming table, so you can focus on the game and not on finding the right piece.

But that's not all – the Tokens' Lair also boasts a convertible flap that effortlessly transforms into a dice tray. Powerful magnets ensure a precise and secure closure, no game pieces will get lost or damaged.

FEATURES

- All-in-one:** multifunctional, convertible premium token box with integrated dice tray
- Contains **4** separate color-coded drawers, perfect for tokens, dice, and many other items
- Drawers easily distinguishable, thanks to the inner lining in four iconic board game colors
- Innovation:** All drawers have built-in magnets for individual arrangement on the table
- Notches at the side allow the drawers to be easily pulled out
- Revolutionary:** The completely removable cover converts easily into a **DICE TRAY**
- Ideal for all board and tabletop games as well as RPGs
- CONVERTIBLE System:** The removable cover clips to the back, saving precious space on the gaming table
- Powerful magnets for a precise secure closure, even if the box is shaken upside-down
- Nexofyber⁺** surface + selected microfiber inner lining

TOKEN SILO CONVERTIBLE

“Are you ready for a revolution in token boxes?” Save precious space on your board game table with our revolutionary, convertible Token Silo. Just clip the cover to the bottom of the box for easy access to all your tokens. This unique, convertible box stores and organizes a variety of tokens, cards, dials, dice, and many other items. The Token Silo comes with 9 trays in 3 different sizes that are fully removable to keep your accessories handy during the game. The boxes can be stacked and are made of durable, robust material. The Token Silo is available in several vibrant colors which can be mixed and matched.

FEATURES

- Ideal for tokens, cards, dials, dice, and many other items
- **Fully usable during gameplay:** completely removable cover that easily clips to the bottom, not wasting precious space on the table
- **9 removable trays in 3 different sizes**
- **Large tray holds up to 40 single-sleeved* cards or 75 unsleeved cards**
- Bottom part usable as **dice tray**
- **Modular design** for maximum interchangeable customization with two or more products
- **Mix & Match:** personalize your Token Silo by mixing and matching different colors with two or more products
- **Appealing design:** Cover shuts flush to the box
- Easily stackable

*Optimized for Gamegenic Sleeves. Sleeves from other brands may affect capacity/compatibility

NEW!

TOKEN SILO CARDS ADD-ON

Customize your **Token Silo** with this 3-piece add-on-set. With the **Token Silo Cards Add-on**, you can exchange trays from the original **Token Silo** to create a unique product that fits your personal needs. The add-on is especially helpful for storing more cards: the big tray holds 40 single-sleeved or 75 unsleeved **standard cards** (64 x 89 mm), the small one 40 single-sleeved or 75 unsleeved **Mini-American cards** (42 x 65 mm).* The **Token Silo Cards Add-on** allows maximum flexibility and interchangeable customization. It is made of durable, robust material and available in 7 vibrant colors, matching the original **Token Silo** designs.

FEATURES

- ADD-ON** for the Gamegenic **Token Silo**
- NEW SIZE:** now for **Mini-American** sized cards
- 3 additional trays in total
DESIGNED FOR CARDS:
1x Standard Card size
2x Mini-American size
- Each single tray holds **40 single-sleeved*** or **75 unsleeved** cards
- Ideal for cards, tokens, dials, dice, and many other items
- Modular design** for maximum interchangeable customization

PRIME PLAYMAT

The must-have item for every card game: the softly cushioned Prime Playmat, made from 2 mm of natural rubber, to protect your cards from dirty surfaces or scratches. Each playmat is outfitted with an anti-slip back side and will remain perfectly in place on the table. The comfortable feel and soft material are perfect for card games, dice rolling or your home desktop. The subtle but elegant printed Gamegenic logo is almost invisible in the upper corner of the play mat.

FEATURES

61 x 35 cm

- Softly cushioned playmat, 2 mm thick
- Ultra-fine surface
- Provides safe environment for cards and accessories
- Anti-slip back side
- Comfortable feel, perfect for dice-rolling
- Subtle and elegant imprinted logo (Not annoying: depending on the light angle almost invisible)
- Made from natural rubber

PRIME SLEEVES

Card-sleeves are essential to protect your valuable gaming cards. These Prime Sleeves provide a premium protection for standard-sized cards and prevent bent corners, scratches, or damages from frequent shuffling. Due to their fine, matte back side players will experience a great shuffle feel and don't to have struggle with slipping deck staples. The sleeves are optimized in size to ensure professional protection and work perfectly for double-sleeving (sleeve-within-sleeve). One pack contains 100 Prime Sleeves, to accommodate larger deck formats.

COLOR CODE: GRAY

FEATURES

- 100 sleeves** per pack

MATTE PRIME SLEEVES

Card-sleeves are essential to protect your valuable gaming cards. These Matte Prime Sleeves provide premium protection for standard-sized cards from bent corners, scratches or damages by frequent shuffling. The matte front blocks annoying reflections, to ensure visibility from all sides and to avoid symptoms of eye fatigue during gameplay. Due to their fine, matte back side the sleeves provide a great shuffle feel and players don't have to struggle with slipping deck staples. The sleeves are optimized in size to ensure a professional protection and work perfectly for double-sleeving (sleeve-within-sleeve). One pack contains 100 sleeves, accommodating larger deck formats.

FEATURES

- 100 sleeves** per pack
- Extra-high back-cover **opacity**, even on lighter colors
- Matte foil averting symptoms of eye fatigue during gameplay
- Ideal fitting and size, perfect for double-sleeving

Extra clear Matte Sleeves with non-glare, non-reflective foils, avoiding symptoms of eye fatigue during gameplay

MATTE DOUBLE SLEEVING PACK 100

COLOR CODE: GRAY

Finally as a 100 pack, perfect for Commander**! This double sleeving pack contains both Inner Sleeves and regular Matte Prime Sleeves to provide everything a player needs to protect up to 100 standard sized gaming cards. Inner and outer sleeves match perfectly to make double sleeving fast and easy. The matte front blocks annoying reflections, to ensure that the card is visible from all sides and to avoid symptoms of eye fatigue during gameplay. The back side of the black, regular sleeves is 100% opaque and provides a great shuffle feel.

FEATURES

- 2 x 100 sleeves** per pack (100 Prime Sleeves + 100 Inner Sleeves)
- Matte foil averting symptoms of eye fatigue during gameplay
- Additional protection: sleeve-within-sleeve
- Durable sleeves prevent bent corners, scratches and damages from shuffling
- Great shuffle-feel
- Fully opaque for tournaments*
- Acid-free. No PVC

* Sleeves are subject to tournament judge approval

NEW!

MATTE STANDARD SIZE OUTER SLEEVES

Our Outer Sleeves Matte Standard Size add an additional layer of protection to cards and/or art sleeves. They are commonly used to safeguard art sleeves from harm (external double-sleeved protection) and can even serve as a third layer for triple-sleeving purposes. Their matte lamination blocks annoying reflections to ensure that cards are clearly visible from all angles and avoid symptoms of eye fatigue during gameplay. The sleeves come with an extra high clearness, for a genuine visual quality. Due to the premium surface, they also have a great shuffle-feel. The Outer Sleeves come in an exact size to fit perfectly over standard-size sleeves.

FEATURES

- 50 sleeves per pack
- Ideal to SAFEGUARD ART SLEEVES from harm (external double-sleeving)
- Perfect fit and size for triple-sleeving
- Matte foil averting symptoms of eye fatigue during gameplay
- Advanced shuffle-feel
- Acid-free. No PVC

MATTE JAPANESE SIZE OUTER SLEEVES

Our Outer Sleeves Matte Japanese Size add an additional layer of protection to cards and/or art sleeves. They are commonly used to safeguard art sleeves from harm (external double-sleeved protection) and can even serve as a third layer for triple-sleeving purposes. With their matte lamination, these sleeves block annoying reflections to ensure that cards are clearly visible from all angles and avoid symptoms of eye fatigue during gameplay. The sleeves come with an extra high clearness, for a genuine visual quality. Due to the premium surface, they also have a great shuffle-feel. The Outer Sleeves come in an exact size to fit perfectly over Japanese-sized sleeves.

FEATURES

- 60 sleeves per pack
- Ideal to SAFEGUARD ART SLEEVES from harm (external double-sleeving)
- Perfect fit and size for triple-sleeving
- Matte foil averting symptoms of eye fatigue during gameplay
- Advanced shuffle-feel
- Acid-free. No PVC

JAPANESE SIZE PRIME SLEEVES

Our Japanese Size Prime Sleeves are 62 x 89 mm in size. They are ideal for card games like Yu-Gi-Oh!™, Naruto™, Cardfight!! Vanguard™*, and many other games. These Japanese-sized sleeves not only offer great protection for game cards, they also provide a great and easy shuffle feel. Because of the extra-high back-cover opacity, even in lighter colors, these sleeves are perfect for tournaments. They come in 12 different colors. One pack contains 60 sleeves.

FEATURES

- 60 sleeves per pack
- Extra-high back-cover opacity, even on lighter colors
- Extra-high clarity for genuine visual quality
- Durable sleeves prevent bent corners, scratches and damages from shuffling
- Finely structured back side avoids slipping deck staples
- Easy shuffling
- Acid-free. No PVC

INNER SLEEVES

Playing and Collectible Cards are very valuable and deserve an extra layer of protection. These Inner Sleeves add this kind of additional protection. These are used inside standard sleeves (sleeve-within-sleeve) to protect cards from dust, dirt or other damages (e.g. frequent shuffling). Inner Sleeves come in an exact size to perfectly fit standard-sized gaming cards. One pack contains 100 Inner Sleeves to accommodate larger deck formats.

FEATURES

- 100 sleeves** per pack
- Precise fit for standard-sized gaming cards
- For additional sleeve-within-sleeve protection
- Extra high clearness, ensuring a genuine visual quality with unaltered contrast and colors
- Consistent sizing
- Acid-free. No PVC

THICK INNER SLEEVES

Your valuable cards deserve an extra layer of protection. And we have a supreme solution for that: Thick Inner Sleeves. Due to their increased thickness of 100 microns, these sleeves are twice as thick as conventional inner sleeves. Their strength ensures that your cards stay in their best shape: no fingerprints, no scratches, no bent corners. They can be used inside of standard sleeves to protect cards and work perfectly for double-sleeving (sleeve-within-sleeve). Additionally, they can be used as tight fitting sleeves for card and board games.

FEATURES

- 50 sleeves** per pack
- Reinforced thickness:** 100 microns
- Perfect fit for standard-sized gaming cards
- Ideal for double-sleeving
- Extra-high clarity
- Consistent sizing
- Acid-free. No PVC

CLOSABLE INNER SLEEVES

Protect your collectible cards without compromise! The Closable Inner Sleeves provide full 4-edge protection for your valuable cards. The protective flap easily slips into the sleeve and provides a safe self closing seal for your card, all without glue. Sideload your cards makes folding of the additional protective flap easy. Perfect for double sleeving: These inner sleeves offer optimal protection from dust, dirt or other damages (e.g. frequent shuffling). The Closable Inner Sleeves perfectly fit cards measuring up to 63x88 mm.

COLOR CODE: GRAY

FEATURES

- 100 sleeves** per pack
- Full 4-edge protection:** cards are protected from all sides, against dust, dirt, water or other damages
- Sideload** for easier folding of additional protective flap

BINDERS & PAGES

PRIME ALBUM

18-POCKET

The Prime Album 18-Pocket is a great way to collect and organize collectible cards of standard or Japanese size. The Nexofyber surface and matching soft microfiber inner lining create a comfortable touch & feel combined with an elegant look. Reinforced, rigid covers keep card collections safe. It contains 20 pages with 18 side-loading pockets each, for a total capacity of 360 cards (even double-sleeved). An extra-wide elastic strap in matching color safely closes this album.

FEATURES

- NEW!**
- 20 side-loading pages to hold up to 360 sleeved cards
 - COLORMATCH:** cover, pages, inner lining, and strap in matching colors
 - Extra-wide elastic strap with reinforced stitching
 - 18 side-loading pockets per page keep cards shake-safe
 - Holds standard- and Japanese-sized cards
 - Optimized for double-sleeved cards
 - Rigid cover prevents warping of front or back side
 - Premium materials (Nexofyber surface + microfiber inner lining)
 - Acid-free. No PVC

CATAN® TRADING POST CONVERTIBLE CARD TRAY

The **all-in-one-solution** to carry, organize, and hold your CATAN® cards during the game. The Trading Post works perfectly as a card holder with 6 card compartments that accommodate sleeved cards.

The upper level seamlessly slides backward to allow free access to all cards. Small notches at the bottom provide convenient access even to the last card. The compartments are designed to hold all cards of the CATAN® base game and CATAN® 5-6 Player Extension. The cover of the Trading Post is fully removable and can be easily converted into a rigid dice tray. It is made from premium materials such as Nexofyber and soft inner microfiber lining. This protects the stored cards and provides a smooth sound for dice rolling. Strong magnets will keep this box safely closed.

FEATURES

- Officially licensed product
- All-in-one:** premium card tray, storage solution, and integrated dice tray in a single compact and convertible box
- 6 card compartments**, perfect for CATAN® English resource and development cards
- Enough space:** Holds all necessary cards in CATAN® English Sleeves* for up to 6 players of the CATAN® English base game
- Revolutionary:** The cover is completely removable and converts easily into a **DICE TRAY**
- Unique:** Hidden mechanisms allow seamless sliding of the top row, providing easy access to the cards
- Slightly tilted compartments prevent cards from sliding out
- Notched compartments for easy access; right down to the last card
- Strong magnets for a secure closure
- Hot-stamped and gold color-foiled CATAN® logos
- Premium materials (Nexofyber surface + microfiber inner lining)

*Optimized for Gamegenic Sleeves. Sleeves from other brands may affect capacity/compatibility

CATAN® HEXATOWER PREMIUM DICE TOWER

The Hexatower is a premium dice tower in the famous hexagonal shape of CATAN®. It has an innovative Nexofyber surface and a soft, silver fabric inner lining. The premium materials ensure a comfortable touch-and-feel experience and dice-rolling is enhanced by a pleasant sound. The surrounding flap, held safely closed by strong magnets, can be removed and sticks to the side of the Hexatower to create a dice-stopper at the gaming table. Of course, this luxe accessory can also carry your CATAN® dice.

FEATURES

- Officially licensed product
- 2-in-1:** premium dice tower and dice storage box
- Unique:** compact dice tower in the classic CATAN® hexagonal shape
- Removable closing flap converts into a **dice-stopper**
- 2 inner ramps roll the dice steadily
- Inner material provides a pleasant dice-rolling sound
- Powerful magnets for a precise and secure self-closing seal
- Elegant hot-stamped CATAN® logos
- Premium materials (Nexofyber surface + silver fabric inner lining)

CATAN® HEXADOCKS EXTENSION SET

FOR CATAN® ENGLISH VERSION

The CATAN® Hexadocks will keep all your wooden player pieces safely stored and perfectly organized. With this smart wooden parts holder, you are **ready to play right out of the box**. No need to count if you have the right number of player pieces anymore! The slots are organized for easy access to your roads, settlements, and cities. The Hexadocks look the part, matching the CATAN® color scheme. They are made from an extremely durable, quality material. A transparent cover protects parts from falling out. The Base Set contains 4 docks, one, for each player of the CATAN® base game. A Hexadocks Extension Set is available to include colors of the CATAN® 5-6 Player Extension, sold separately.

FEATURES

- BASE SET: 4 Hexadocks** in matching colors: one dock for each player color
- EXTENSION SET: 2 Hexadocks** in matching colors: one for each player of the CATAN® 5–6 Player Extension
- Holds and organizes all classic **wood** player pieces from the CATAN® base game or CATAN® 5–6 Player Extension
- Perfectly organized:** ready to play right out of the box
- Clear protective cover clips to the bottom to save space on the table
- Well-organized inner slots keep the components in place
- Compact design:** dimensions match original CATAN® hexes perfectly
- CATAN® logos for detail
- Made from quality, durable material
